Hey Greg

I guess I read the email the same as you, but it appears that they have other intentions!

Hello folks,

If you are receiving this e-mail, you have been identified to help staff the Emergency Operations Center for the response to the Gold King Mine Release in Colorado. Activation of the EOC begins tomorrow, and our hours of operation (8/11) will be 8:30 AM to 6:00 PM. Please report to B433 in WJC North Building and sign the sign-in sheet when you arrive.

You do not need to bring any IT equipment with you. Thanks in advance for helping with this response, and let me know if you have any questions.
